

Chesham Bois Manor

Chesham . Buckinghamshire

Set within an idyllic eight acres of beautiful Buckinghamshire countryside, and with easy access from any part of the country, Chesham Bois Manor offers the serenity of both a Manor House and its grounds, with the ability to cater for residents that require caring at every level.

To ensure a top level of service for a varied range of residents, Chesham Bois Manor has created a purpose built courtyard style unit to cater for the needs of those suffering from a diagnosed dementia. This specialist area also has a safe and secure garden and internal 'walking path' which provides for freedom of movement and independence.

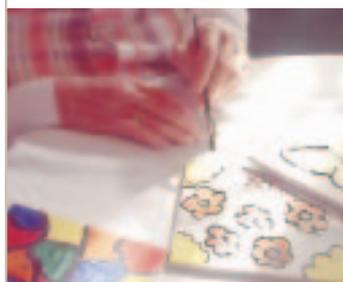

Residents have a choice of single or single en suite bedrooms, some of which have shower facilities. All bedrooms may be personalised with the resident's own possessions to help create more familiar surroundings.

Residents may take meals in our splendid dining room, in one of the smaller lounge/diners or, if they wish, in the privacy of their own room. Our resident cook prepares a varied menu of appetising home cooked meals, taking into account nutritional balance and any specific dietary requirements or individual preferences. Morning coffee, afternoon tea and snacks are available throughout the day.

At Chesham Bois Manor life is for living and a full and active lifestyle is encouraged. Our Activities Organiser arranges a varied social calendar of activities and entertainment, including trips to places of interest.
