Ashwood Court

Retirement apartments close to the heart of Paisley
Put yourself in the picture

As the UK’s number one retirement builder, we’re delighted to offer you a beautiful new apartment you’ll be proud to call home. At Ashwood Court, you can enjoy those little ‘luxuries’ like having walk in wardrobes and large storage cupboards that provide ample space for your belongings. Selected apartments benefit from French doors and Juliet balconies, making the most of the natural light, and the development gardens offer charming seating areas to make the most of good weather.

Your new apartment brings you so much more than just a stunning new home. We’ve paid attention to the things that matter most to you. There’s a House Manager, a lounge and the development maintenance, such as gardening and window cleaning, covered in the service charge. It really is life made easier.

I looked around at a few McCarthy & Stone properties and the thing that impressed me the most was that everyone I seemed to meet was really happy with their decision to buy with McCarthy & Stone.*

Sometimes it’s the little extras that make all the difference. Like having ensuite guest accommodation available at a modest charge*, with TV and tea and coffee making facilities, for your friends and family to stay in. Your well behaved pet is welcome to join you in your apartment too. Ask your sales consultant for more details.

The development also features a fully equipped laundry, a mobility scooter area and charging area and private car parking on site*. The lounge is great for impromptu ‘get togethers’ and celebrations with your new neighbours.

*Typically £25 per night. *Subject to availability.

Designed for you

With a track record that’s second to none in the retirement building industry for customer satisfaction, we create developments that we can be proud of. With an elegant façade, Ashwood Court has been created to compliment the local architecture of Paisley.

The quality of your new home extends to the energy efficiency. Our developments are energy efficient, keeping your apartment at a consistent temperature and features like double glazing and insulation, give you some respite from soaring energy costs.
†Ts&Cs apply. Free one hour service available within first 30 days of moving into your apartment. Not applicable on resales.
Make it your own

Our spacious design gives you lots of ‘living room’, so it’s easy to put your own mark on it – whether you are bringing your favourite furniture with you or taking the opportunity to make some changes and buy some new things. We’re here to help you with every step of your move, including a handyman service† when you move to help you put up some shelves or hang curtains.
Enjoy peace of mind

Living at a Retirement Living development by McCarthy & Stone gives you more than just a sparkling new home. You can relax, knowing that there’s a House Manager on hand during office hours as well as the added benefit of having security features. These include a 24 hour emergency call system, should you require assistance and a camera door entry system linked to your TV, so that you can see who’s calling for you before letting them in.

There’s no need to worry about being weighed down by maintenance costs either as the service charge covers the cost of all external maintenance, gardening and landscaping, window cleaning, buildings insurance, security and energy costs of the laundry, lounge and other communal areas.

When you come to make your move, there’s no need to worry as we’ll be with you every step of the way. We can assist you in selling your existing home and deal with much of the paperwork. You can sit back and let us do some of the hard work for you.

“We like to go away quite often and enjoy spending our free time travelling. Now it’s great because we can plan to go away whenever we want, with the peace of mind that our home is safe.”

As one of the largest towns in Scotland, Paisley is well known for its rich history and striking architecture. As the centre of the weaving and textile industry in the 19th century, it grew from a small market town to an important industrial city, with over 100 mills producing the famous Paisley shawls. Nowadays, all the mills are closed but several of the buildings themselves remain, and relics from them and examples of the garments produced can be seen in the Paisley Museum. Indeed, the iconic teardrop-like Paisley pattern has become a symbol of the town, adopted by the local authority.

Ashwood Court is located on Victoria Road, in the leafy Corsebar area to the south west of the town centre. Public transport links are excellent with bus stops less than 100m away, offering regular services into the town centre. The bus terminus at the nearby Royal Alexandra Hospital also offers several routes further afield.

Shopping facilities and local services can be found just over a mile away, with a small number of local shops available within half a mile. Paisley town centre is home to two shopping centres with a variety of high street stores and smaller independent outlets available.

Leisure pursuits are well catered for in Paisley with cricket, bowls and golf clubs all close by. In addition, there is a large leisure centre and swimming pool on the edge of the town centre, while keen walkers are sure to enjoy the scenery of Glennifer Braes Country Park.
