Apartments
As a resident you will have a private apartment that is bright and airy with quality fixtures and fittings. Each apartment has a lounge, kitchen, bathroom and bedroom.

TV aerial and telephone points are provided in the lounge and bedroom. Each kitchen has a range of wall and base units, a fitted electric oven and hob, and spaces for a fridge and automatic washing machine. Bathroom facilities include non-slip flooring, a walk-in, level access shower with grab rails and a shaver point. Each apartment is double glazed and has central heating.

General Facilities
The centre offers communal facilities for socialising and making friends. Within Rosewood Court there are two specially designed lounges, a dining area and a fully enclosed garden to enable those individuals living with dementia to enjoy their environment safely.

Yew Tree Court also enjoys two comfortable communal lounges, a restaurant, a hairdressing salon, communal laundry, guest room, assisted bathrooms and gardens.

Meals
Residents have the choice of preparing their own food at home, or, alternatively, purchasing meals in the scheme’s own restaurant. Our cook is highly trained and experienced in meeting special dietary requirements, and regularly consults with residents to ensure varied and interesting menus. The restaurant is open daily.

Social Facilities
There is no reason why you can’t maintain any existing links you have with the local community or develop new friendships and relationships. Social events are organised by staff and volunteers at the centre as well as a diverse range of other activities.

The Manager
The Manager is there to help you get the most out of living at Moor Allerton. The Manager is responsible for the day-to-day running of the scheme, working alongside the staff team and other professionals to ensure that you are receiving the care and support you need to maintain a good quality of life.

Care Services
Support services are provided by an experienced staff team, which ensures a 24-hour service is available to all residents.
Individual care and support requirements are identified in your personal care assessment and plan, which is developed in consultation with you. This will ensure your specific care needs for daily life are met.

All our staff are professionally trained and are available to support you with your personal needs, including medication, preparing drinks and snacks, cleaning and laundry, collecting pensions, paying bills, contacting GPs and dealing with emergencies, as required.

We will also monitor the care delivered to you and with your agreement, we can liaise with Social Services and other professionals for any additional care requirements. These services are billed separately from your rent and service charge.

Cleaning & Laundry
To enable our residents to retain their independence, everyone is given the option of undertaking their own cleaning and laundry. The communal laundry is available throughout the day at no extra charge to the individual. Alternatively, for those who have assessed needs within this area, support will be provided by staff on-site. This can also be purchased as an additional service.

Security & Peace of Mind
Entry to the building is through a main front door, which is always kept secured. A door-entry system enables you to speak to visitors before opening the front door, all from the comfort of your own apartment.

Help is always at hand with our emergency call system. A pull cord is located in all the apartments/communal areas which allows access to staff. We respond promptly to calls for help, 24 hours a day, 365 days a year.

Assistive technology is available for added security and monitoring your health when needed.

Visitors
Your guests are always welcome and a guest room is available for visitors to stay in, at a small charge.

Spiritual Well-being
At MHA, we support each older person to live life in the way that they wish, providing opportunities for fulfilment.

We believe that spiritual well-being is different for each individual. Religious faith, good relationships, and positive experiences all play their part. We see the beneficial effects of visits by family and friends, the presence of animals, and in engagement with nature, music, art or other creative activities.

In addition to our dedicated staff and many volunteers, we have our own Chaplain who is available for pastoral support. Our Chaplain also organises worship services for those who wish to attend and can arrange for contact with other religious ministers if you prefer.
Quality Standards

We operate our own quality standards programme which is constantly audited and monitored to ensure the highest standards in all areas. MHA has been highly praised for excellent service by the Care Quality Commission, the Centre for Policy on Ageing and the Government’s Audit Commission. If you would like further validation of our standards and quality of services, please do not hesitate to ask.
