Our Commitment

- To provide a pleasant, safe and secure environment with personal space and privacy.
- To provide affordable, pleasant, well-maintained, high quality accommodation.
- To promote the independence of older people through:
 - the confidence of being part of a supportive community;
 - the opportunity to live in purpose-built homes with appropriate facilities;
 - the chance to participate in a range of activities;
 - the benefit of reduced fear of crime;
 - the reassurance of a maintained home and garden;
 - the support and assistance of scheme staff.
- To treat all residents as individuals and encourage tenants to have a say in everything that affects their daily lives – taking comments and feedback seriously.
- To ensure all tenants receive appropriate levels of care from relevant agencies such as Social Services.

Willett House

Located in St Peters Road, Wellesbourne, Willett House sheltered housing scheme is situated on and is within easy reach of the village centre and is accessible to all transport links.

Banks, building societies, supermarkets, shops and a post office are all a short distance away. Medical services, public houses and restaurants are also close by.

Willett House comprises 25 flats (all of which are self-contained with their own kitchen and bathroom) and 16 bungalows, in a safe and secure environment. The flats are located on two floors, connected by stairs and a lift.

In the communal lounge you will have the chance to enjoy the company of your neighbours and other people from the local community, if you choose.

You will be as independent as you wish. We will respect your privacy and do

everything we can to make you feel happy and comfortable in your home.

We aim to help you make the most of every opportunity to live life to the full. Our hope is that Willett House will become your 'home for life'.

“You will be as independent as you wish. We will respect your privacy and do everything we can to make you feel happy and comfortable in your home.”
