Manager's notes: Situated in an ideal location on a regular bus route approximately 1.5 miles from Sheffield City Centre, Greenside House is a purpose built property for over 55's which has excellent facilities. It has ample parking for residents and a large garden at the rear of the building which is well maintained.

Regular social events take place in the communal lounge. These are organised by the residents with support from the House Manager, there will also be a luncheon club once a week where family and friends will be encouraged to attend.

At Greenside House there is a 24 hour communication system for use in any emergency. Our House Manager will live at the scheme and will be on hand to answer any questions and help you to get the support you may need help with any questions. Facilities also include a free laundry room which is well equipped and maintained.
