Manager's description: The Priory is a purpose built Home offering an extremely high standard of care. We have an excellent team of staff who pride themselves in maintaining high standards and as a result have very contented residents. Most of our enquires are by word of mouth. The Home is decorated to the highest of standards and well provided for with all the necessary equipment that is required. Although we do not have a residents committee, regular coffee morning / meetings with residents and their relatives and friends provide an opportunity for me to provide information and for the residents to express their views and feelings. An excellent rapport with relatives ensures ongoing communication between staff and relatives.
