Manager's description: Lakeland View is a very busy, lively Care Home. Everyday is different. Most of our residents are unable or choose not to leave the house, so we have the outside coming in! For example, mobile libraries, Tai-chi classes, music therapists. We are not the glossiest of Care Homes (yet!), but we are very good at giving our residents the physical, emotional and intellectual support they need. Lakeland View has the reputation of being flexible in its approach to all residents. We are also a Training Establishment for Nurses.
