We are a short walk from the bank of the River Mersey, offering views of the Wirral Peninsula and also near to Otterspool Promenade. All motorways converge within 3 miles and are easily accessible, as are local buses and railway stations. There is also a local Travel Lodge at the top of Beechwood Road, should you be visiting from outside the area.

We cater for elderly people both male and female, who may be confused, disorientated or have an illness which render them incapable of managing their own care, but do not require them to have hospital care. We cater for people under pensionable age and over 65, who have a dementia. Cressington Court is dual registered and provides both nursing and personal care.
