Manager's description: Standing in its own grounds offering extensive views of the surrounding Lancashire countryside, Springhill Care Home offers luxury ensuite accommodation for 75 residents. Dedicated, highly skilled staff provide a wide range of services including specialist rehabilitation, respite, dementia and terminal illness care. The home was the first in East Lancashire to be awarded the Investor in People status - not surprising when even our cleaners train to NVQ level! Our philosophy is that whatever age, our residents should enjoy today and tomorrow as much as yesterday and our holistic care is geared towards that.
