| Manager’s description: | You'll find Craigdun three miles from the village of Cullybackey, and six miles north of Ballymena, County Antrim.  
Here our trained nurses, with the support of dedicated care and ancillary staff, provide residential, nursing, respite and convalescence care, as well as palliative care and care for young people who are physically disabled.  
Our adapted and extended mature building is set in extensive grounds, with a patio garden and panoramic views across the countryside.  
Inside we have 33 single bedrooms over two levels, with two lounges, and a large dining room. We love residents to personalise their own bedrooms, by bringing in small pieces of furniture, pictures and photographs to make them more homely. |
