Manager's description: You'll find Keresley Wood in Coventry, Warwickshire. Here we provide high quality care 24 hours a day, in a homely, welcoming atmosphere. The people who live here have varying needs, from specialist support to general assistance with everyday living. Some stay with us permanently, others for shorter periods. We offer nursing care, and respite care to give home carers a much needed break.

People living here pursue their hobbies in communal and quiet lounges throughout the home. These areas are used for relaxing and socialising, and are great places to invite friends and families to when they visit.
