Manager’s description:
Here at Romford Grange we’re proud of the homely and welcoming atmosphere in our purpose-built home. We put the health and happiness of people living here at the heart of everything we do, and our dedicated team of nurses and carers actively encourage residents to take part in all decisions - contributing to everything from the way their rooms look to the therapies they receive.

Residents can enjoy their hobbies in our bright, communal lounges - where they can also watch television, listen to music or have some quiet reading time. Our landscaped gardens have patios, plenty of seating, raised flower beds and a vegetable patch for green-fingered residents to tend to.
