**Manager’s description:**

Our mission: “To provide quality care services to each service user in a warm comfortable, home from home environment, treating each resident with the respect and dignity that they deserve”.

At Cedar Falls we have the experience and training to know how to respond with empathy and are able to help our residents feel at ease, whilst gently stimulating thought processes with dedicated activities and a broad range of resources. We understand how difficult it can be caring at home for someone living with the experience of dementia. Our aim is to make Cedar Falls feel like home as quickly as possible. We take pride in getting to know everyone, creating a personal plan which takes consideration of individual care and nutrition and of likes and dislikes, helping everyone to feel relaxed and comfortable in caring family atmosphere.
