As we get older,
the home we live
in can become
more difficult to
manage financially,
practically and
socially.

*"If it hadn't been for you...
I would have sat down and
cried. Thank-you for the
huge amount of help,
physically and mentally.
I am just so grateful to you"*
Mrs K, London.

Making the decision

Moving to somewhere more
appropriate can bring with it
greater independence and even
a new lease of life.

Yet for many, the thought of
moving can feel like a daunting
prospect and for that reason
many people delay a move
that could make a positive
difference to their lives.

FirstStop's Moving Home Service may be able to help.

It offers a caring, independent
and flexible service that includes
as much or as little as you choose.

We can help you:

Decide where and when to move home

Find suitable properties to view and escort you when you visit

Manage the sale of the property and help negotiate agent fees

Assist with sorting of possessions

Arrange for disposal, sale or recycle of unwanted items

Obtain quotations and arrange packing and removals

With house clearance

Close down utility accounts

Contact other parties with change of address details

Complete solicitors sellers forms

With assistance and support on moving day

Get in touch with Quality Solicitors for Conveyancing

After an initial confidential consultation we will, where possible, send out a fixed price quotation.
