

Sheltered Housing Schemes

Information Booklet

Introduction

Milton Keynes Council Sheltered Housing is designed for people aged 55 years and over. It provides a safe, secure and supportive environment for people wishing to live independently in their own homes.

Our properties range from one-bedroom centrally heated flats in a two-storey building or terraced bungalows, to flat-lets. Most schemes have at least one adapted flat for wheelchair users and many individual flats have some form of adaptation e.g. flat floor shower or lowered units. Some properties can be adapted to meet the individual tenant's needs, where appropriate, in conjunction with an assessment from Occupational Therapy.

All schemes have a communal lounge for the use of tenants and at least 2 regular social activities are organised per week - some schemes having many more. Tenants are also encouraged to organise their own activities with the support of the Sheltered Housing Officer.

Age Concern run lunch clubs in the majority of the sheltered schemes on a regular basis.

We also have one very Sheltered Scheme (Kilkenny House) offering quality flexible care and support by 24 hour care staff, and another Scheme (Orchard House) which has 12 flat-lets set aside for temporary use by people requiring rehabilitative intermediate care.

There is a Sheltered Housing Officer on duty 5 days a week, whose main duty is to act as a facilitator and to monitor tenant's well-being.

The Sheltered Housing Officer's main responsibilities are:

- ◆ To deal with emergencies
- ◆ To ensure that the building and equipment is secure and in good order.
- ◆ To liaise with other agencies on behalf of tenants family, Doctors and care agencies.
- ◆ To encourage tenants to be as independent as possible.

All properties in our schemes are connected to the Community Alarm Service, which provides emergency support and assistance 24 hours a day, 7 days a week.

Pet Policy

Whilst we are reluctant to separate anyone from their pet, we must consider all hygiene and noise implications. Small caged birds do not usually pose a problem, however properties with small-enclosed gardens would be more suited for tenants who own a cat or dog. Therefore, pets can only be allowed to live within a scheme at the discretion of the Sheltered Housing Manager.

Mobility Scooters

Durrans House and Kilkenny House have designated secure areas where scooters can be stored. Unfortunately the other schemes do not have this facility and scooters have to be stored in tenant's flats or individual gardens where possible.

Supporting People Charges

All properties within Sheltered Housing are subject to Supporting People charges. These charges are for the support services provided by the Sheltered Housing Officer and the Community Alarm Service. If you are in receipt of Housing Benefit, Income Support or Pension Tax Credit, then Supporting People may fund these charges. If you require further information on Supporting People grants please telephone MK 253558.

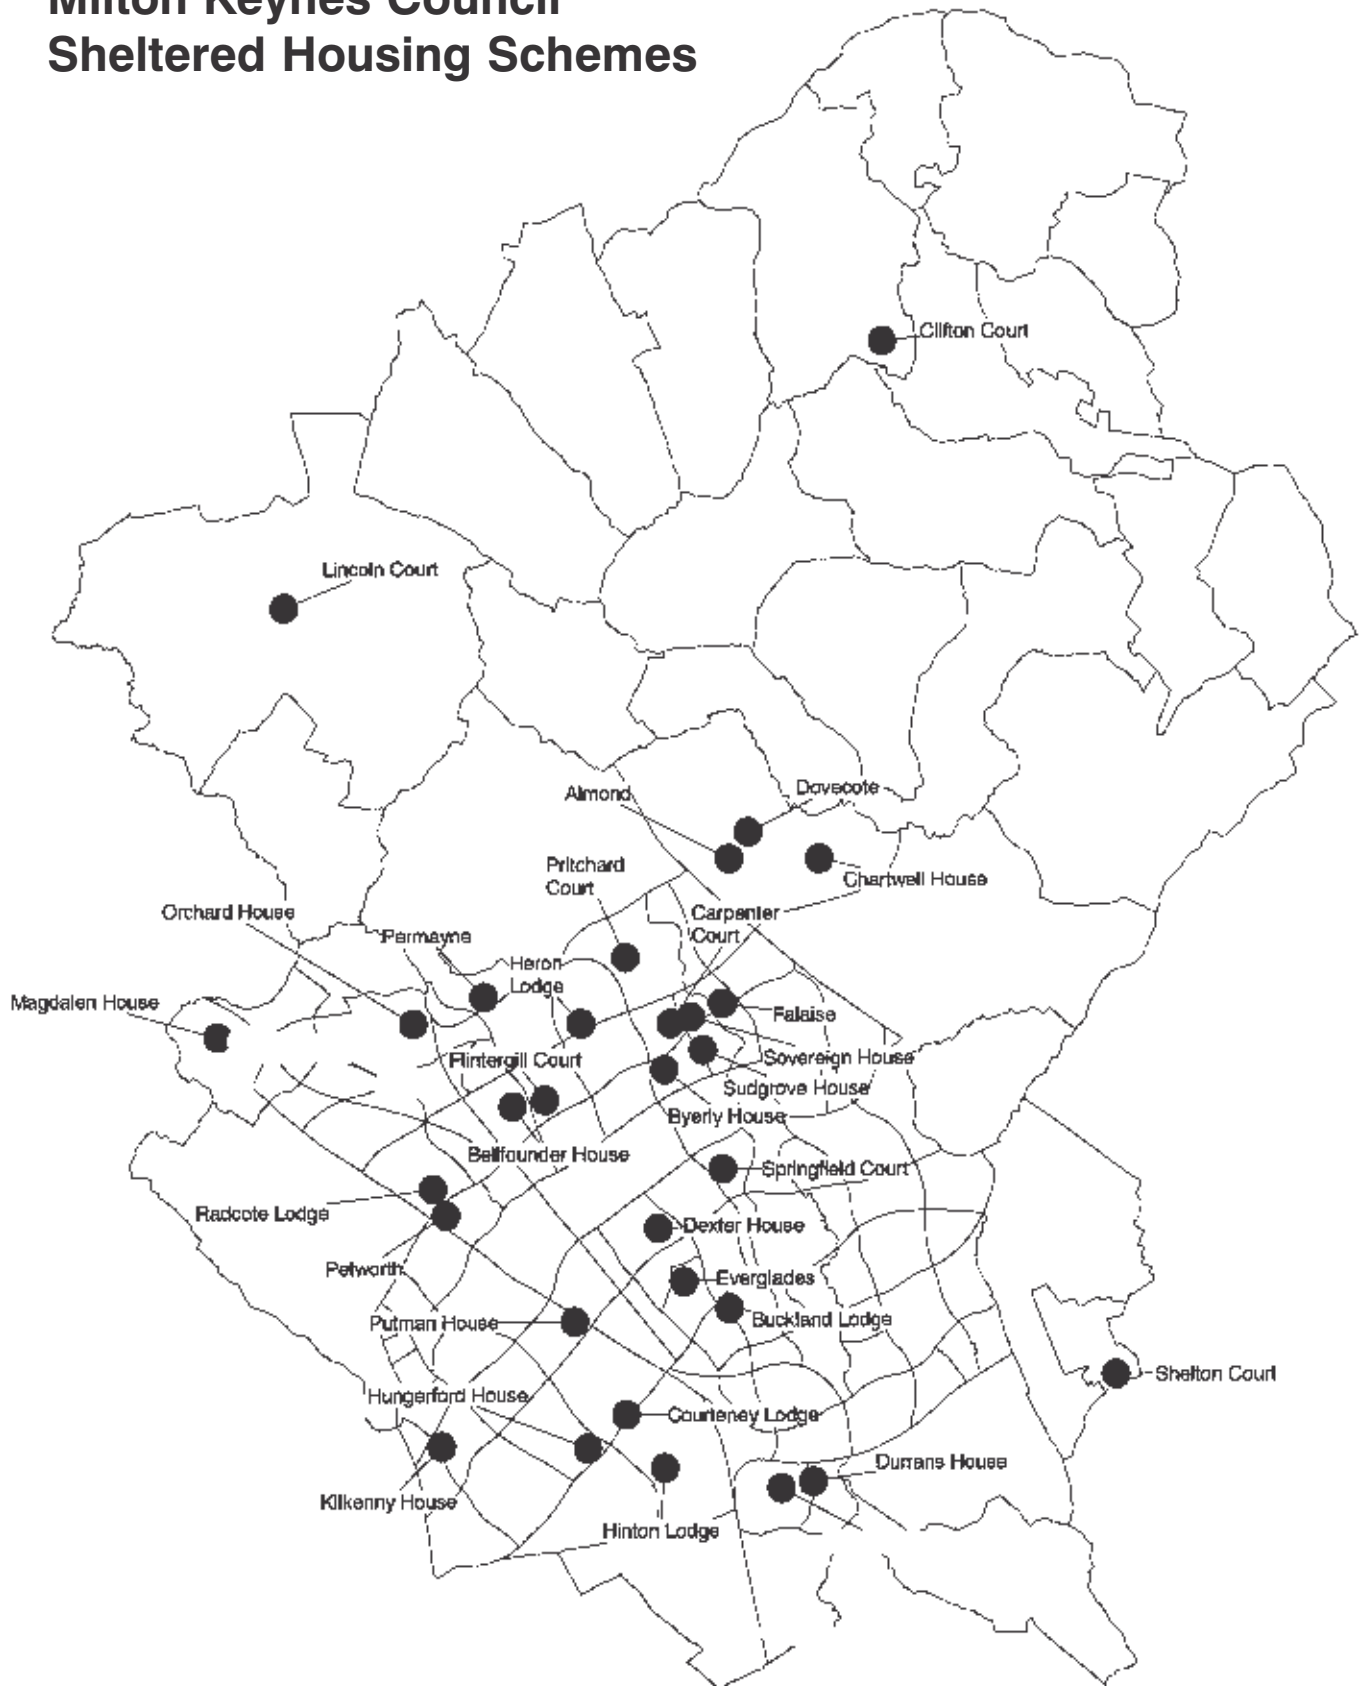

If you require further information, please contact the Sheltered Housing Managers (01908) 222616 or speak to a Sheltered Housing Officer in a scheme near you, they will be pleased to answer your questions and arrange a visit if required.

To apply for Sheltered Housing, application forms and advice can be obtained from any of our Housing Offices or contact the Sheltered Housings Lettings Officer on (01908) 252113.

This scheme has 24 centrally heated one-bedroom flats and 6 two bedroom flats within a two-storey building. Some of the ground floor properties have a small garden area. The first floor is accessed via either stairs or the lift.

Sudgrove House has a large communal lounge with an upper viewing area that overlooks a communal kitchen and a communal garden courtyard and patio area.

Residents have the use of a laundry, two guest flats and an assisted bathroom.

Sudgrove House is situated on the edge of the popular residential estate of Downhead Park and only a short walk from Neath Hill, where there is a local shopping centre and Health Centre.

There is a bus stop outside the scheme with services to Milton Keynes Centre, Bletchley, Newport Pagnell and Wolverton.

There are many pleasant walks close by in Campbell Park and the Grand Union Canal.
