**Oasis Activity Centre Braintree**

We offer an active and stimulating environment which can accommodate the special needs of the person with dementia. Carers are very welcome, and find support through meeting and sharing with other carers, joining in the fun, or simply by taking some time out to recharge batteries. The day runs from 11.00 till 3.30, with refreshments and a home-cooked lunch.

Drama and story-making, music and dance, singing and karaoke, reminiscence and games are just some of the activities on offer, and we have our very own professional artist as a part of the team. Suggestions for new and different activities are always helpful, and we make every effort to accommodate the things you enjoy – just let us know.
