**Who it is for:** Bristol Care & Repair services are available in the Bristol area to homeowners who are over 60, or who are younger and disabled. We offer many different services – everything from fixing a dripping tap through to organising and managing major adaptations or repairs.

**Where available:** Local service covering: Bristol (Somerset).

We operate within the Bristol City Council boundary of the old Avon Area.

**What it costs:** As a non-profit making organisation, our priority is to help as many people as we can, and to provide an affordable service that reflects individuals' needs.

Some of our services are free and some will involve a charge. You will always be told first of any costs and you are always welcome to say no to any work. In some cases there is no cost involved, and in every case we work hard to give you a sensible and affordable way forward. We may even be able to help you find funding for essential work.

**How to access or apply for it:** **Telephone us** on **0117 954 2222** we are open 9am to 5pm (4pm on Fridays)
