Social Centre

Age UK Rotherham has been providing Day Services for older people since February 1985.

Our Social Centre, based at Lord Hardy Court in Rawmarsh, offers variety, fun and companionship and when used as part of a care plan can help older people to remain healthy and well. It is important to offer choice whilst enabling people to retain their dignity and independence.

Our Social Centre provides social interaction and stimulation to relieve loneliness and isolation with the opportunities for people to meet new friends, remain more active, receive advice and information on other services provided and to learn new skills.

We can offer:

A choice of menu for your lunch time meal.
Other light refreshments are provided free of charge, throughout the day.

A choice of activities, again based on individual choice.

Opportunities to improve your personal wellbeing
Hairdressing service available to book
Take part in gentle exercise
