Dementia Day Care Services

Our new Dementia Day Care Service is now open. This service is run and managed exclusively by Age UK Tunbridge Wells within a purpose-built Day Centre at Hazeldene House, Romford Road, Pembury.

Most of us want our loved ones to remain independent for as long as possible, but sometimes a diagnosis of dementia makes caring for them a little harder than it used to be. Our new Dementia Day Care service combines a safe, enjoyable experience for them with an opportunity for you, the carer, to recharge your batteries for a day.

This service is run and managed exclusively by Age UK Tunbridge Wells within a purpose-built Day Centre at Hazeldene House, Romford Road, Pembury.

At the Day Centre we can offer people with dementia:

• Day Care from 9.30pm–4.00pm, or for a shorter period by arrangement
• A secure, peaceful environment
• Activities designed to engage and stimulate
• Help with personal care if required
• The opportunity to socialise with others within
a small group – up to a maximum of ten clients per day

- A two-course lunch and refreshments
- Signposting to other services for carers

**Category(ies):** Dementia, Dementia care, Support for carers, Day centres, Information, advice & counselling, Support

**Who it is for:**
Age UK Dementia Day Care service is suitable for those who are living with dementia but are able, with support, to enjoy spending time with others in a group setting. With a staff of three, there is ample opportunity to deliver activities tailored to individual needs and interests.

If you feel that the person you care for might benefit from Day Care, please contact us and we will arrange to meet both of you to make sure that this is the right option for you. We might suggest that you visit the Day Centre to have a look round. Once we’ve agreed on the day or days (Monday to Friday) that Day Care will be needed, we can offer your loved one a four-week trial of the service.

**Where available:** Local service covering: Tunbridge Wells (Kent).
