

Trafford Home Improvement Agency Service

Trafford Care & Repair is a charity working in Trafford. We help older and vulnerable people who own their own home, those in privately rented and social housing, with repairs, improvements and adaptations. The objective is to assist people to remain living independently in their own home in a safe, secure & warm environment.

We will advise and assist on all types of work including building maintenance, windows and doors, heating, damp problems, roofs etc. We also provide a "low cost" handyman service for a range of small jobs. We also provide benefits checks for over 60's. All advice is free. Unfortunately we don't undertake gardening, decorating, gas or electrical work, but we have a comprehensive list of vetted contractors we can supply to clients.
