

## Home Improvement Agency Service

Safe at Home is a Home Improvement Agency. The service is non-profit making and run by Great Yarmouth Borough Council.

The Safe at Home project can offer practical advice and help to improve your home by organising a variety of works. This might include access improvements such as ramps and grab rails, or essential repairs like re-roofing or rewiring.

We aim to offer a friendly, professional service to all our clients, regardless of the amount or type of work being carried out.
