

Home Improvement Agency Service

We offer confidential advice and practical support to older people and disabled people who need to repair, adapt or improve their homes. We can help owner occupiers and private tenants who are elderly or disabled.

We can help organise essential works such as repairing a leaking roof, repairing or replacing rotten windows, rewiring electrical installations or replacing burst hot water cylinders. Adaptations can include the installation of such items as stair lifts or level entry showers. All of the above work may be eligible for a Local Authority grant or loan and we can advise and assist you in making an application where appropriate.. We can also advise about improvements to heating or insulation.

- Home visits to discuss the work needed
- Advice about possible grants and loans to pay for the works
- Help to fill in forms and apply for funds
- Impartial technical advice and supervision of building works
- Help to choose a reliable builder from our register
- Practical support whilst the works are in progress to ensure everything runs smoothly.

Category(ies): Home maintenance, Adaptations - minor, Adaptations - major, Home improvement agencies, Major repairs

Who it is for: Older and disabled people.

Where available: Local service covering: Bath & North East Somerset, Mendip, West Somerset (Somerset).

What it costs: All our advice is free. If you do go ahead with building works we will charge a fee but this is usually covered in any grant you receive. Nothing will go ahead until you are happy with the proposed works and any cost. It costs nothing to ask for our help.
