**apetito Hot Meal Delivery Service**

We deliver meals to your door that are piping hot and ready to eat, 7 days a week, 365 days a year. Our drivers are fully DBS (Disclosure and Barring Service) checked, and will perform a safety and wellbeing check when they deliver your meal, and will contact your next of kin or social services if there are any concerns. We will also plate your meal or fetch a glass of water if required.

Our delicious meals include a hot or cold dessert, and for a small extra charge, we can also provide you with a tasty teatime pack.

**Who it is for:** Our meals service is available to anyone and is an ideal choice for those who, for one reason or another, aren't able to cook for themselves, for example the elderly or vulnerable, or people who have just come out of hospital. Every member of our team has received comprehensive training on diet and nutrition, including the needs of people with dementia.

We can deliver food every day, or just once in a while, and you won't have to sign a contract or commit to a set number of deliveries a week.

**Cultural aspects:** We offer a very varied selection of nutritious main meals and desserts which suit many special dietary requirements including low fat or salt, gluten free, energy dense, vegetarian and vegan.

You can choose from traditional favourites like cottage pie or beef and roast potatoes, as well as from our Kosher, African-Caribbean, Asian and Halal ranges.

**Where available:** Local service covering: Bedfordshire, Buckinghamshire, Gloucestershire, Greater London, Hampshire, Kent, Warwickshire, West Sussex, Worcestershire

We operate approximately 20 depots across England and Wales, providing coverage to many of those in need but unfortunately cannot deliver to every postcode area. Please check on our website (http://www.mealsonwheels.info) whether we can deliver to your exact address.

**What it costs:** Our prices vary subject to area, and subsidies may be available through your local authority depending on your circumstance. When you contact us, we will be happy to tell you the price in your area.

**How to access or apply for it:** To check if the service is available in your area or to register your interest, simply contact us on 0808 115 8694, or enter your postcode into our website, http://www.mealsonwheels.info

If our service is available in your area you will be given direct contact details for your
local depot to where you will be able to set up your order.

**What then:**
All enquiries will receive an information pack which provides full details of the service as well as contact details for the local depot who will take care of your service.

**Additional information:**
As well as providing nutritious hot meals to your door, apetito are also a market leading supplier of specialist, nutritionally balanced meals for care homes and hospitals.

With over 50 years' experience of feeding the elderly or vulnerable and deep roots within the UK health and social care sectors we are uniquely placed to provide a range of products that promote 'eating for health', including our pioneering texture modified food range for people with swallowing difficulties, which was developed under the principle that everyone deserves to dine with dignity, whatever your circumstances.

**Info. updated:** 08/09/2017
