Handyperson and Gardening Service We're here to help!

Hello,

You may know us already, but if not, we would like to introduce ourselves. We're A Man For All Seasons, a small award-winning family run social enterprise who offer a full range of handyperson and gardening services. We work mainly to support customers who are elderly, disabled or vulnerable, but we are always happy to hear from anyone who needs our help.

We know that it can be difficult to find somebody you can trust, who is willing and able to undertake most jobs however, small or large, and this is where we can help. Our friendly, professional team have all been carefully vetted (including a Criminal Records Bureau check) and we are members of the Lancashire Safe Trader and Wigan Good Trader schemes. So if you, or somebody you know, needs a bit of help around your house or garden, please do give us a call.

Anyone who needs our help can contact us using our local rate telephone number – **0843 289 2044**.

On the next page you'll find a list of the kinds of jobs that we can help with – but if you don't see what you need, please do ask – we can usually help.

We're keen to let as many people as possible know that we're here to help and are hoping that you will tell your family, friends and neighbours about our service too.

We look forward to helping you.

Warm wishes,

Donny Bryan
